## From the East *W.:B.: Anthony Florez, Worshipful Master*

To the Wardens, Officers, Worshipful Brothers, Brethren, and friends of Albert Pike Lodge,

One year ends and another begins. One Worshipful Master's year ends and another begins. So is the cycle of every calendar year as well as every Masonic year.

Worshipful Brother (WB) Lee Miller, PM has set the bar immensely high for me in each officer chair every year that I followed him throughout our lodge's progressive line. WB Lee had impeccable floor work as the Senior Deacon, provided amazing meals and fellowship as the Junior Warden, brought flawless planning and support during his year as the Senior Warden, and during his year in the East he delivered an extremely successful year in fellowship, education and Brotherly love. WB Lee provided me with incredible support and guidance throughout my development in Freemasonry. He has listened to me vent, eased my many worries, and was and will always be an overall wonderful brother AND friend to me. For all of that I will be forever in his debt.

As we all have heard many times before – *we stand on the shoulders of giants* – so true, for me, the tall shoulders of WB Lee Miller are taller than I could have ever imagined. In many years when I look back on the archives and records of the lodge I will see my name following WB Lee Miller. I will be honest in telling everyone that I did indeed follow one of the giants of Albert Pike Lodge #117. I hope that I can make him and all of your proud of what 2018 will bring to us all.

That being said, I'm both humbled and honored for receiving the vote to lead Albert Pike Lodge #117 in 2018 and will do my absolute best to make each and every one of you proud of the work we will accomplish in this upcoming Masonic year.

*(continued on page 2)*

*(Master's message, continued from page 1)*

Some of that work is as follows:

- Increase membership and end the Masonic year with positive net-member gain. Remember to always guard the West Gate but also continue to look for good men to enter upon our Sacred Craft;
- Attain Honor Lodge status for the fourth year in a row;
- Continue to bring in speakers for Lodge education while at the same time include brothers of our own lodge to continue to give exceptional lectures;
- Hold multiple 2nd and 3rd degree nights. We have at least one speaker coming to lodge in 2018 to speak about topics pertaining to the 3rd degree. I plan to open on the 3rd degree that night;
- Continue to encourage all brothers to be involved in the degree work and learn as many roles as they can handle during all the different degrees we will be offering throughout the year;
- We will be holding at least one District Lecturer Seminar during the year and may possible add another;
- AP117 and Denver Lodge #5 will be joining together to do some work at the St. Francis Center in Downtown Denver. More details to come as we get closer to summer;
- Hold a Table Lodge either in the summer or towards the end of year; and Continue the tradition of Family Night and add an additional "show and tell" portion to that meeting – details to come.
- While that is only a small portion of what we will accomplish in the year of 2018 there is still much more that I will keep under my hat until the time is right.

My Brothers, while we labor away in both our usual vocations and our lodge work please remember to always be upon the level with all that you meet and keep our actions square for the good of Masonry.

I look forward to laboring away with all of you in our sacred quarries.

Fiat Lux,

*W.: Bro.: Anthony Florez*

Worshipful Master

**From the West** *Bro.: Harry Sanders, Sr.: Warden*

Brethren, Happy 2018!

In my reading, I came across this paragraph several years ago. " Within Freemasonry, there is contained a secret teaching which amounts to a dynamic system of psychology present in all of the most potent of the mystical traditions since time in immemorial. Further, this complex system of psychology identifies both the personality typology and primary senses of perception as they related to communication in human interaction. Additionally, the numerological correspondences interlaced through the Craft ritual contain information designed to provide the keys to perfecting communication." Good stuff right? Well in my opinion, Secret Teachings can be old or new things communicated to us our Brethren, the most seasoned Brethren AND our newest Brethren! I have found however, that our newest Brethren won't typically speak up or share their deeper thoughts until they become Master Masons.

So in closing Brothers of Albert Pike Lodge # 117, let us this year do as much as we can to help our EA's and FC's up to the Third Degree for the betterment of them and the betterment of our Lodge as well. Love and Light from the West!

*Bro.: Harry Sanders*

**Secretary's Desk**

*W.: Bro.: Lee Miller, Secretary*

Brethren,

Most of you know that I'm rarely without words. But right now I don't have enough words to tell you how thankful I am to have served our lodge as Master in 2017. It was truly an honor for me to have served you.

Now I have the daunting task of filling the Secretary's role. WB Christopher Scott has done so much to redefine and reinvent Albert Pike for a new generation of Masons while keeping members of all ages and generations involved. In 2018, Masons would be surprised to find a Lodge without a website, electronic trestleboards, a strong social media presence, and credit card payments for dues. Yet just a few short years ago Albert Pike had none of these! Thanks to the hard work of WB Chris, who did all those things for us and more, we are now ready to keep up and communicate with our Brothers wherever they are, and in near real time.

Sincerely & Fraternaly,

*W.: Bro.: Lee Miller, PM - Secretary*

**From the South**

*Bro.: John Davis,  
Jr.: Warden*

Hello my Brothers, from the South! "Thank you", for putting your faith in me as a "new" officer. I will be planning to get catered meals for our dinners this year. be a working man, I have limited time to cook. Please let me know of some dinner ideas that you would like!

Also this year let me know how many are coming for dinner by text, e-mail or a phone call. Three days before our meetings will help me to get enough for all of us! I am also bringing back the donation bucket back in service this year. Your donations helps "our" Lodge in so many ways!

Being on 2 committees, and Director of the work for the FC degrees, I want to have updates and get - together with the officers at least once a quarter! Being prepared helps me to help you. On, this our Masonic journey together!!!

*Bro.: John Davis*
